## Hot Cloud Storage

### Why Wasabi?

**Wasabi provides simple, predictable and affordable hot cloud storage for businesses all over the world.**

Wasabi enables organizations to store and instantly access an unlimited amount of data at 1/5th the price of the competition with no complex tiers or unpredictable egress fees. Wasabi is on a mission to store all the world's data by making data storage simple, affordable, fast and secure.

### What is available through X-OD?

The Wasabi portfolio through X-OD includes:

#### Hot Cloud Storage

Infinitely affordable and predictably priced cloud object storage. No fees for egress or API calls

#### Wasabi Cloud NAS

Connect your unstructured data and file storage environment to Wasabi object storage

#### Wasabi Surveillance Cloud

Instantly extend the capacity of your on-premises surveillance video management system (VMS)

### The X-OD Difference

**Greater commitment flexibility** 1 to 5 years commitment duration

**Longer free trial** 60 days

**Shorter retention period**

**Local Currency** not only \$

**Duration & capacity based pricing** decreasing pricing according to capacity and duration

**Better back-office management** automatic invoicing & payments – simplified ordering & provisioning process on X-OD platform
